

# MAKING GOODWILL SAFE FOR EVERYONE

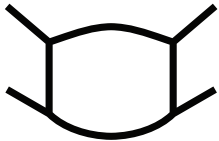

Welcome to Goodwill. Please be aware of the following guidelines set in place for your safety.

1

## Goodwill Employees and Participants Will Be Screened

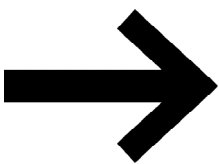

Employees and those attending programming at our human service locations will be asked if they've had close contact with anyone with COVID-19 or if they've had symptoms. Please follow CDC guidelines and remain at home if you have fever, cough or shortness of breath.

2

## Masks For Everyone

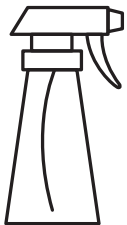

Masks are to be worn by all people entering the facility.

3

## Observe And Follow All Signage

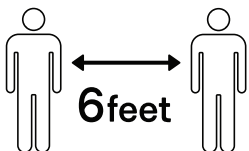

One-way hallways and room occupancy limits and temporary closures are for your safety. Please be mindful of signage throughout the facility.

4

## Sanitizing Hard Surfaces

Increased cleaning and sanitation processes are in place for all high-touch surfaces like water fountains, time clocks, door handles and more.

5

## Safe Social Distancing

Please stay 6 feet away from other attendees and Goodwill staff. Do not gather in common areas like hallways and bathrooms.
